Congratulations!

Allow me to be the first to congratulate you for being chosen in the second annual selection of the *Ohio Success Awards*!

This event, hosted by *Ohio Business Magazine* in the spring of 2020, honors annually the most successful and consistent organizations and leaders across our state and serves as a forum for you to connect with other decision makers on the issues and objectives throughout Ohio.

Our annual process was undertaken over the last two months to collect nominations, which were then reviewed and approved by a committee. Your company was nominated by someone within your organization. Being selected along with many other companies as one of the *Ohio Success Award* winners is an exceptional honor.

Ohio Success Award winners will be featured as the cover story of the winter issue of *Ohio Business Magazine*. All *Ohio Success Award* winners will be listed within the feature. *Ohio Business* has unmatched distribution to decision makers across the state – mailed to *Cincy Magazine* and *Dayton Magazine* subscribers, as well as Northeast, Central, Northwest, and Southeast Ohio chamber members and CEOs. The *Ohio Success Award* feature will also receive unsurpassed digital exposure to over 25,000 decision makers and opt-in email subscribers across the state. *Ohio Business Magazine* is also sold throughout the state on newsstands.

Also included in this mailing is a special marketing opportunity reserved solely for those selected as *Ohio Success Award 2020* winners. Those interested should contact me directly by January 3rd 2020. Details for the spring event to follow.

Again, our compliments for a demanding job well done!

Respectfully,
